

It's easy to save on your homeowner's insurance

No time to shop for homeowner's insurance? If you have five minutes, you could start saving today!

In five minutes or less, as an Amway customer you can:

- **Custom-tailor a plan to your needs.** You will have access to an expanded choice of plans that really make sense for you and your family.
- **Get the facts from the specialists.** You will work with licensed professionals to answer your questions, help you choose the right plan, and make the application process easy.
- **Get side-by-side comparison quotes from top-rated companies.** You will see how much money competing companies charge for the same coverage.

Most of us know that we could save money on our insurance by shopping around, but who has the time? Now you do! That's because USI Affinity has teamed up with Insurance Answer Center® to bring Amway Customers an opportunity to get a great value on insurance — quickly and easily.
