

The unexpected happens every day.

Someone falls down the stairs, gets injured in a car accident or develops a serious illness. **In a single moment, your world can change.**

These unexpected illnesses or injuries can be startling—so can the doctor bills. That’s why it’s important to have reliable health insurance protection that will pay the medical expenses when the unexpected occurs.

Assurant Health offers affordable individual medical insurance rates and convenient payment options. Most importantly, with a health insurance history of more than 115 years, Assurant Health has earned a reputation of paying claims quickly and fairly. In 2009, we processed over 4 million claims. **When you need it most, Assurant Health delivers dependability you can count on.**

Can you afford to be without health insurance?

Take a look at some of the recent claims we’ve paid for our Individual Medical insurance customers. They protected themselves in the event of the unexpected and we took care of the rest. In 2009, we paid more than \$800 million in claims.
